OFFICE OF PETITIONS

ON PETITION

In re Application of
Shi-You Ding, et al.
Application No. 09/917,376
Filed: July 28, 2001
Attorney Docket No. NREL 01-36

This is a decision on the petition under 37 CFR 1.137(b), filed March 3, 2005, to revive the above-identified application.

The petition is GRANTED.

A non-final Office action was mailed to applicant on June 16, 2004, which set a three (3) month shortened statutory period for reply. As no reply was received and no extensions of time under the provisions of 37 CFR 1.136 were obtained, the application became abandoned on September 17, 2004.

Since the application became abandoned, applicant filed the instant petition, and a proposed reply, namely, an amendment. Receipt of the amendment is acknowledged.

Pursuant to 37 CFR 1.136, an extension of time must be filed prior to the expiration of the maximum period obtainable for reply to avoid abandonment. Since the \$900 extension of time fee submitted with the present petition was subsequent to the six-month statutory period for reply, this fee is unnecessary and will be credited to petitioner's deposit account.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3223.

The application file is being referred to Technology Center 1600.
